

Camp Overview: Our “Striving for Excellence” Clinic will provide your daughter with an opportunity to really experience what it means to play college basketball. Through demanding, fast paced drills, and behind the scenes information your daughter will experience exactly what it is like to be a member of the Eastern Women’s Basketball Team. Additionally your daughter will have the chance to meet and speak with current team members as they ask questions about the program and reflect on their collegiate experience.

The cost of the clinic is \$100, which includes lunch. Checks should be made out to ECSU and may be mailed along with the registration form to the Basketball office or can be filled out online.
